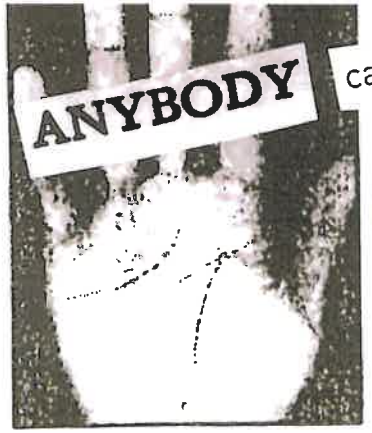
Outside My Comfort Zone

MORE than Worth IT!

– Gina Murrell



ANYBODY can fold A PORNOGRAPHIC MINIZINE on THE MEGA BUS FROM NYC ... EVEN You!

XXX

1. Snag an entire seat for yourself. You will be plenty stressed about attracting the pleasant woman across the aisle's attention without adding a stranger who's fokn' elbow to elbow into the mix.

2. Position a hard, flattish surface across your knees. An accordion file stuffed with unfolded zines works well.

3333 If your pornographic mini-zine is 2-sided, determine which side is least likely to cause offense. (Hint: it's probably NOT the anatomically correct 3some or the God's eye view of seemingly consensual but physically/geometrically barely, possibly im-, possible penetration. Fold w/ that side up. PRO TIP: If you have long hair, that can provide additional security.

4- Keep 'em from spilling into the aisle by collecting the folded zines in your hat.

5 Give em away free w/ purchase to LIBRARIANS

TRANS POWER

"I've always had an appreciation for ppl who craft their own lives as works of art. So it was perhaps inevitable that I found myself amongst transsexuals"
