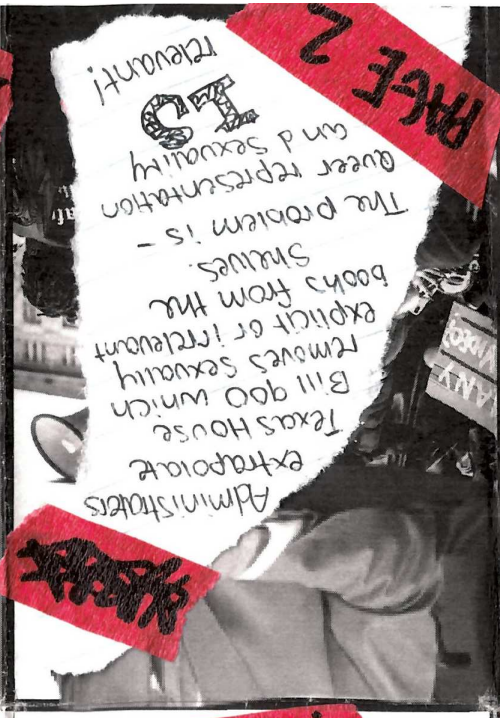
Administrators exploiting Texas House Bill 900 which removes sexually explicit or irrelevant books from the shelves.

The problem is - Queer representation and sexuality IS relevant!



PAGE 3

Demonizing queer literature creates a harmful situation and stigma for the queer community. Censoring our voices defeats the purpose of art's creation.

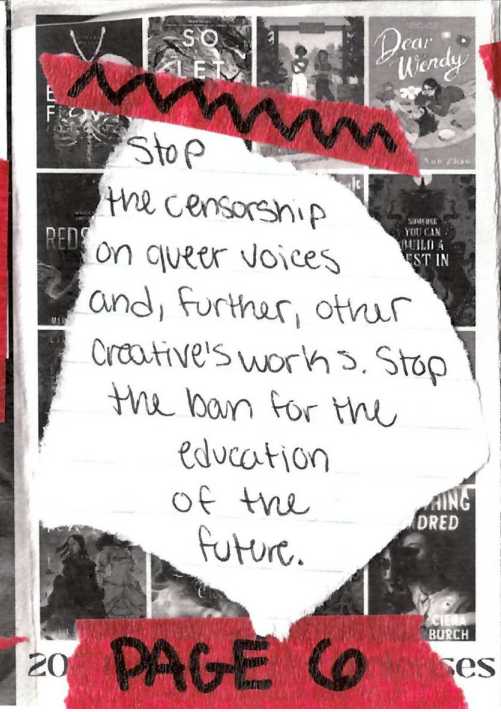
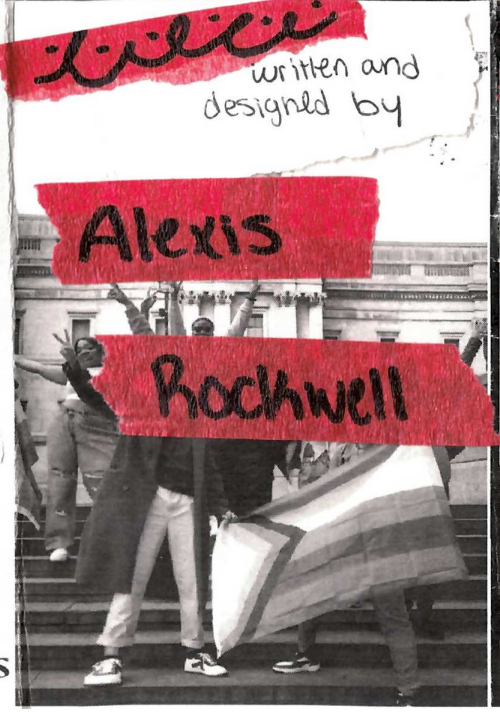
MY TO EDUCATE & SUPPORT



PAGE 5

You are not silencing unnecessary sexual content, you are depriving the next generation from support and education.



PAGE 6

Stop the censorship on queer voices and, further, other creative's works. Stop the ban for the education of the future.
